NOTE

- Only depositors whose names appear in the Record of Depositors as at 19 June 2014 shall be regarded as members of the Company and entitled to attend the Forty-First Annual General Meeting or appoint a proxy to attend and vote on his behalf.
- 2. A member of the Company entitled to attend and vote at this meeting is entitled to appoint a proxy to attend and vote in his stead. A proxy need not be a member of the Company and a member may appoint any person to be his proxy without limitation. The provision of Section 149(1)(b) of the Companies Act, 1965 shall not apply to the Company. A member may appoint more than 2 proxies to attend at the same meeting. Where a member appoints two or more proxies, he shall specify the proportion of his shareholdings to be represented by each proxy.
- 3. Where a member of the Company is an exempt authorised nominee, as defined under the Securities Industry (Central Depositories) Act, 1991 which holds ordinary shares in the Company for multiple beneficial owners in one securities account ("omnibus account"), there is no limit to the number of proxies which the exempt authorised nominee may appoint in respect of each omnibus account it holds.
- 4. The instrument appointing a proxy shall be in writing under the hand of the appointor or his attorney duly authorised in writing or if such appointor is a corporation under its common seal or the hand of its attorney.
- 5. Explanatory Notes

- To receive the Audited Financial Statements Agenda item no. 1 is meant for discussion only as the provision of Section 169(1) of the Companies Act, 1965 does not require a formal approval of shareholders for the Audited Financial Statements. Hence, this item on the Agenda is not put forward for voting.
- 2. Resolution No. 7, 8 and 9

Proposed Continuation In Office As Independent Non-Executive Director

The Nomination Committee has assessed the independence of Dato' Dr. Zabir Bin Bajuri, Dato' Wira Zainuddin Bin Mahmud and Mr. Foo Kee Fatt, who served as Independent Non-Executive Directors of the Company for a cumulative term of more than nine years. Upon recommendation of the Committee, the Board assessed and recommended that they continue to act as Independent Non-Executive Directors of the Company based on the following justifications:-

- They understand fully of the Company's objectives and strategies and will be able to provide an element of objectivity, independent judgement and balance to the Board;
- They have devoted sufficient time and commitment to their role and responsibilities as an Independent Director, exercised due care and discharged their duties with reasonable skill and competence during their tenure as Independent Directors of the Company;
- c) They actively participated in the board discussion and provided independent view and judgement to the decision making of the Board in the interest of the Company and the shareholders.

Chairman's Statement / Penyata Pengerusi

On behalf of the Board of Directors, I am pleased to present the Annual Report and the Audited Financial Statements of the Group for the financial year ended 31 December 2013.

> Bagi pihak Lembaga Pengarah, saya dengan sukacitanya menyampaikan Laporan Tahunan dan Penyata Kewangan Kumpulan Syarikat yang diaudit bagi tahun kewangan berakhir 31 Disember 2013.

FINANCIAL PERFORMANCE

For the year under review, the Group registered a consolidated profit before tax of RM0.402 million against a loss after tax of RM3.085 million recorded in the previous year. The improvement in performance was mainly attributed to the increase in revenues and the effective management of costs, receivables and inventories which had significantly impacted the previous year's results.

The consolidated overall sales increased 8.69% to RM58.231 million against the previous year's sales of RM53.577 million. At Company level, Export sales recorded in 2013 were RM17.756 million, an increase of 5.81% from the previous year's sales of RM16.780 million. Domestic sales recorded were at RM37.137 million, an increase of 9.57% against the previous year's sales recorded at RM33.894 million.

The Company's wholly owned subsidiary in Singapore, CICS Distributors Pte Ltd, recorded a marginal improvement of 3.09% in revenue at RM4.345 million compared to the previous year's RM4.215 million.

PRESTASI KEWANGAN

Bagi tahun di bawah kajian, Kumpulan Syarikat mencatatkan keuntungan disatukan sebelum cukai sebanyak RM0.402 juta berbanding dengan kerugian selepas cukai sebanyak RM3.085 juta yang dicatatkan pada tahun sebelumnya. Peningkatan dalam prestasi adalah disebabkan terutamanya oleh peningkatan dalam pendapatan hasil dan pengurusan kos yang berkesan, hutang belum terima dan inventori yang telah memberi impak kepada keputusan tahun sebelumnya dengan ketara.

Jualan yang disatukan keseluruhan meningkat sebanyak 8.69% kepada RM58.231 juta berbanding dengan jualan tahun sebelumnya sebanyak RM53.577 juta. Di peringkat Syarikat, jualan eksport dicatatkan pada tahun 2013 adalah RM17.756 juta, peningkatan sebanyak 5.81% daripada jualan tahun sebelumnya sebanyak RM16.780 juta. Jualan domestik dicatatkan pada RM37.137 juta, peningkatan sebanyak 9.57% berbanding dengan jualan tahun sebelumnya yang direkodkan pada RM33.894 juta.

Anak syarikat milik penuh di Singapura, CICS Distributors Pte Ltd, mencatatkan peningkatan yang maginal sebanyak 3.09% dalam hasil pada RM4.345 juta berbanding tahun sebelumnya sebanyak RM4.215 juta

Chairman's Statement / Penyata Pengerusi (cont'd)

OPERATIONAL REVIEW AND FUTURE OUTLOOK

The overall gross profit achieved in 2013 improved slightly to 13.04% compared to the gross profit of 12.27% achieved in 2012. The operations continued to face challenges in costs increases to key raw materials through the year under review. The fire incident at our plant in February 2013 impacted the production of masking tapes for 6 months, however, with the commitment and resilience of the staff, the Company was able to overcome the challenges caused by the incident to turn in a profitable operation for the year under review.

Moving forward both Export and Domestic markets should gain traction from geographical expansion, new market segments and newly introduced products for painters and masking tapes. In line with sales revenues gaining momentum, the Company will continue with its effective cost management initiatives to improve its gross profit.

DIVIDEND

Your Board of Directors is pleased to recommend a Final Single-tier dividend of 1.75% per ordinary share for the financial year ended 31 December 2013 subject to the approval of the shareholders at the forthcoming Annual General Meeting.

APPRECIATION

On behalf of the Board of Directors, I would like to thank the Management for their strategic initiatives and the Staff for their loyalty, commitment and contributions which were crucial to return the Company to profitability in the year under review.

I also thank our wider stakeholder community; shareholders, business partners and customers for their continuing strong support and confidence in the Company.

As always, I am grateful to my fellow Board of Directors for their guidance, foresight and commitment during the past year.

ULASAN OPERASI DAN TINJAUAN MASA DEPAN

Keuntungan kasar keseluruhan yang dicapai pada tahun 2013 bertambah baik sedikit kepada 13.04% berbanding dengan keuntungan kasar pada 12.27% yang dicapai pada tahun 2012. Operasi terus menghadapi cabaran dalam peningkatan kos kepada bahan-bahan mentah utama sepanjang tahun dalam tinjauan. Kejadian kebakaran di kilang kami pada Februari 2013 memberi impak kepada pengeluaran pita pelekat selama 6 bulan, walaubagaimanapun, dengan komitmen dan daya tahan kakitangan, Syarikat berupaya mengatasi cabarancabaran yang disebabkan oleh kejadian itu untuk menjadikan operasi yang menguntungkan dalam tahun di bawah kajian.

Melangkah ke hadapan, kedua-dua pasaran eksport dan domestik semakin memperoleh penarikan daripada pengembangan geografi, segmen pasaran baru dan produk baru yang diperkenalkan kepada pengecat dan pita pelekat. Sejajar dengan pendapatan jualan untuk mendapat momentum, Syarikat akan meneruskan inisiatif pengurusan kos yang berkesan untuk meningkatkan keuntungan kasar.

DIVIDEN

Lembaga Pengarah Syarikat anda sekalian dengan sukacitanya mengesyorkan kadar dividen akhir peringkat tunggal sebanyak 1.75% bagi setiap saham biasa bagi tahun kewangan berakhir 31 Disember 2013 tertakluk kepada kelulusan para pemegang saham pada Mesyuarat Agung Tahunan yang akan datang.

PENGHARGAAN

Bagi pihak Lembaga Pengarah, saya ingin mengucapkan terima kasih kepada Pengurusan atas inisiatif strategik mereka dan Kakitangan atas kesetiaan, komitmen dan sumbangan mereka yang amat penting untuk mengembalikan Syarikat kepada kedudukan yang menguntungkan dalam tahun di bawah kajian.

Saya juga mengucapkan terima kasih kepada komuniti pemegang kepentingan yang lebih luas, pemegang-pemegang saham, rakan-rakan perniagaan dan pelanggan-pelanggan atas sokongan mereka yang berterusan dan keyakinan mereka terhadap Syarikat.

Sebagaimana biasa, saya berterima kasih kepada rakan Lembaga Pengarah atas bimbingan, pandangan jauh dan komitmen mereka sepanjang tahun yang lalu

The Company has outsourced the internal audit function to Messrs. BDO Governance Advisory Sdn Bhd. During the financial year, the Internal Auditors carried out a total of five (5) audit assignments on the Company and its subsidiaries in accordance with the audit plan. The Internal Auditors had updated the principal risk faced, or potentially exposed by the Company and its subsidiaries.

For the financial year 2013, the total cost incurred for the internal audit function was RM39,026.00

Statement on Corporate Governance

The Board of Directors ("the Board") of Central Industrial Corporation Berhad (the "Company") recognizes the importance of good corporate governance and continues to be committed to a good corporate governance and practice throughout the Company and its subsidiary companies ("the Group") to enhance shareholders' value and the financial performance of the Group.

The Board believes that good governance will help to realize long-term shareholders value, whilst taking into account the interest of other stakeholders. The Board evaluates and continues to enhance the existing corporate governance practices in order to remain relevant with developments in market practice and regulations.

The following statement reports on how the Company has applied the principles and recommendations of good corporate governance during the financial year under review as set out in the Malaysian Code on Corporate Governance 2012 ("MCCG 2012") issued by the Securities Commission.

A. BOARD OF DIRECTORS AND BOARD COMMITTEES

Board duties and responsibilities

The Board acknowledges its role in the stewardship of the Group's direction and operations, and ultimately the enhancement of long-term shareholder value. To fulfill this role, the Board is responsible for the overall corporate governance of the Group, which involves reviewing and adopting a strategic plan for the Group, overseeing the conduct of the Group's businesses and to evaluate whether the businesses are properly managed, identifying principal risks and ensuring the implementation of appropriate internal controls and mitigation measures, succession planning, overseeing the development and implementation of a shareholder communication policy, reviewing the adequacy and the integrity of the management information and internal control system of the Group. Key matters, such as approval for interim and final results, major capital expenditure, formalizing the budgetary process are reserved for the Board.

The Board delegates the day-to-day operations of the Group to the Managing Director and Executive Director, who have vast experience in the business of the Group. The Board has established clear functions reserved for the Board and those delegated to Management in the Board Charter. The Charter provides guidance for Directors and Management on the responsibilities of the Board, its Committees and requirements of Directors which are subject to periodical review to ensure consistency with the Board's strategic intent as well as relevant standards of corporate governance. The Board Charter is published on the Company's website at www.cicb.com.my.

The Company has formalised a set of ethical standards through a code of business conduct to ensure Directors and employees practise ethical, businesslike and lawful conduct, including proper use of authority and provide mechanisms to report unethical conduct and help foster a culture of honesty and accountability. The Code is published on the Company's website at www.cicb.com.my.

The Company has also established a whistle-blowing policy so that any employee of the Group can seek guidance and report suspected and/or known misconduct, wrongdoings, corruption and other malpractices involving the resources of the Company and in the matters of financial reporting and compliance. Reports can be made anonymously and arrangements are in place for the independent investigations and appropriate follow-up action. The Policy is published on the Company's website at www.cicb.com.my.

The Group is committed to operate its business in accordance with environmental, social and economic responsibilities in compliance with all relevant laws in order to meet the requirements and aspirations of various stakeholders. The Company strives to achieve a long term sustainable balance between meeting its business goals and preserving the environment as it recognizes that the sustainability of ecosystems is an integral part of sustaining its long term business plans. A report of the Group's corporate responsibility is set out in pages 29 and 30 of this Annual Report.

A. BOARD OF DIRECTORS AND BOARD COMMITTEES (cont'd)

Board Composition and Balance

At the date of this statement, the Board consists of nine (9) members comprising two (2) Executive Directors, three (3) Non-Executive Directors and four (4) Independent Non-Executive Directors. All the Independent Non-Executive Directors fulfill the criteria of independence as defined in the Main Market Listing Requirements of Bursa Malaysia Securities Berhad. The proportion of more than one third Independent Non-Executive Directors provides effective check and balance in the functioning of the Board.

The presence of independent Non-Executive Directors in the Board is essential as they provide an unbiased and independent view, advice and judgement to the decision-making of the Board and provide an appropriate check and balance for the Executive Directors, thereby ensuring that no one individual or group dominates the Board's decision-making process. They also ensure strategies proposed by the Management are fully deliberated on and take into account the interests of minority shareholders, employees, customers and the communities in which the Group conducts its business. Together with the Executive Directors who have intimate knowledge of the business, the Board is constituted of individuals who have a proper understanding of and competence to deal with, current and emerging business issues.

The role of the Chairman and Managing Director are separated to ensure there is a balance of power and authority. The Chairman is responsible for the leadership, effectiveness, conduct and governance of the Board, while the Managing Director has overall responsibility for the day-to-day management of the business and implementation of the Board's policies and decisions. The Board is led by Dato' Dr. Zabir Bin Bajuri, an independent non-executive Chairman while the executive management of the Company is led by Mr. Wong Yuk Thin, the Managing Director. The Executive Directors are responsible for implementing the policies and decisions of the Board, overseeing the operations as well as coordinating the development and implementation of business and corporate strategies.

The Executive and Non-Executive Directors, with their different backgrounds and specializations, collectively bring with them a wide range of experience and expertise in areas such as finance, corporate affairs, marketing and operations.

The Board has also appointed the Independent Non-Executive Director, Dato' Wira Zainuddin Bin Mahmud, as the Senior Independent Director to whom concerns pertaining to the Group may be conveyed by the shareholders and public.

Board Meetings

The Board is scheduled to meet at least six (6) times a year, with additional meetings convened when urgent and important decisions need to be taken between the scheduled meetings. During the financial year ended 31 December 2013, the Board met on eight (8) occasions, where it deliberated upon and considered a variety of matters including the Group's financial results, strategic decisions and the direction of the Group.

The attendances of the Directors during the financial year are as follows:-

Name of directors	No. o Held	f meetings Attended
Dato' Dr. Zabir Bin Bajuri	8	8
Datuk Abdul Jamil Bin Mohd Ali	8	8
Dato' Wira Zainuddin Bin Mahmud	8	7
Dato' Johan Bin Ariffin	8	8

Mr. Wong Yuk Thin	8	8

A. BOARD OF DIRECTORS AND BOARD COMMITTEES (cont'd)

Board Meetings (cont'd)

All Directors are furnished with an agenda and documents on matters requiring their consideration in advance of each Board meeting. The Chairman, with the assistance of the Company Secretary, undertakes the primary responsibility for organising information necessary for the Board to deal with the agenda and for providing this information to the Directors on a timely basis. During the meetings, the Board is briefed on matters dealt with in the agenda and, where appropriate, additional information is made available to Directors. All proceedings of Board meetings are duly recorded and the minutes thereof signed by the Chairman of the Board.

Board Committees

To assist in the execution of its responsibilities, the Board has established three Board committees, namely, the Audit And Risk Management Committee, Nomination Committee and Remuneration Committee in order to enhance business and operational efficiency as well as efficacy. All the Board Committees function within their respective clearly defined terms of reference. The Chairman of various Committees reports to the Board the outcome of the Committee meetings and makes recommendation to the Board. The ultimate responsibility for the final decision on all matters, however, lies with the members of the entire Board.

Supply of information

Prior to Meetings of the Board and Board Committees, appropriate documents, which include the agenda and reports relevant to the issues to be deliberated at the meetings covering the areas of financial, operational and regulatory compliance matters, are circulated to all Directors, to enable them to review the reports, obtain further explanation, if necessary and enable focused and constructive deliberation at meetings. All proceedings of Board meetings are minuted and signed by the Chairman of the Meeting in accordance with the provisions of the Companies Act, 1965.

Presentations and briefings by the Management and relevant external consultants, where applicable, are also held at Board Meetings to advise the Board and furnish relevant information and clarification for the Board to arrive at a considered decision.

All Directors have direct access to the Senior Management and have unrestricted access to all information relating to the Group to enable them to discharge their duties. In the furtherance of its duties, the Board may when necessary, obtain independent professional advice on specific matters, at the Company's expense.

All Directors have direct access to the services of the Company Secretary. The Board is regularly updated and advised by the Company Secretary who is qualified and competent on statutory and regulatory requirements. The appointment and removal of Company Secretary is subject to the approval of the Board.

A. BOARD OF DIRECTORS AND BOARD COMMITTEES (cont'd)

Nomination Committee

The Nomination Committee comprises the following members:

Dato' Wira Zainuddin Bin Mahmud
 Chairman, Independent Non-Executive Director
 Dato' Lim Chee Meng
 Member, Non-Independent Non-Executive Director
 Member, Independent Non-Executive Director

The Committee consists entirely of Non-Executive Directors with a majority of them being Independent Directors. In observance with the Code, the Nomination Committee is chaired by the Senior Independent Non-Executive Director.

The Nomination Committee is responsible for identifying, evaluating and nominating suitable candidates to be filled in the Board and Board Committees. In proposing its recommendation, the Committee will consider and evaluate the candidates' required mix of skills, knowledge, experience, expertise, professionalism, integrity, capabilities, competencies, time commitment and in case of candidates for the position of independent non-executive directors, the candidates' ability to discharge such responsibilities is also evaluated.

The Board, assisted by the Nomination Committee, assesses the effectiveness of the Board, its Committees and the contribution of each individual Director, including independent Directors, on an annual basis. Questionnaires are sent to Directors to obtain their feedback, views and suggestions to improve the performance of the Board and its Board Committees. The assessment results were summarised for analysis by the Company Secretary. The recommendations of the Nomination Committee will be presented to the Board for consideration.

The Committee met two times during the financial year and all members of the Committee attended the meetings. During the year, the Committee conducted assessment on the effectiveness of the Board, its Committees and the contribution of each Director. Various factors were considered including its composition and size, mix of skill and experience, conducts of meetings, roles and responsibilities, contribution and performance, communications and supply of timely information. All assessments and evaluations carried out by the Nomination Committee are documented. The Committee has updated its Terms of Reference incorporating recommendations from MCCG 2012. It also identified programmes, with the assistance of the Company Secretary, for the continuous training of the Board members to ensure that they are conversant with industry trends and developments.

The Board recognizes the importance and benefits of gender diversity at the Boardroom. The Board reviews its composition and size from time to time and will take into account gender diversity representation in future recommendations for appointments. However, this will be considered based on competency, skills, experience, character, ability, leadership quality and qualification that meet the Group's needs. Currently, the Board has one female Director.

One of the recommendations of the MCCG states that the tenure of an independent director should not exceed a cumulative term of 9 years. However, the Board has not adopted a nine-year policy for independent Directors. The Board has via the Nomination Committee conducted an annual assessment on the Board's Independent Directors, Dato' Dr. Zabir Bin Bajuri, Dato' Wira Zainuddin Bin Mahmud and Mr. Foo Kee Fatt who have served on the Board for more than 9 years and is of the opinion that they remain objective and independent in expressing their views and participating in the deliberations and decision making of the Board and Board Committees. The length of their service on the Board does not interfere with their exercise of independent judgement and act in the best interest of the Group notably in discharging their roles. The Board will seek shareholders' approval to allow the affected Directors to continue in office as Independent Directors of the Company.

A. BOARD OF DIRECTORS AND BOARD COMMITTEES (cont'd)

Directors' training

The Board, through the Nomination Committee, ensures that it recruits to the Board only individuals of sufficient calibre, knowledge and experience to fulfill the duties of a Director appropriately. As at the date of this Statement, all Directors have attended and successfully completed the Mandatory Accreditation Programme as required by Bursa Malaysia Securities Berhad. The Directors continue to undergo the continuous education program to enhance their skills and knowledge, where relevant.

Among the training programmes and seminars attended by the Directors during the year are as follows:-

- Personal Data Protection Act (PDPA) 2010 Executive Briefing Dato' Lim Chee Meng & Ms. Lim Shiak Ling
- Managing in Uncertainty: Surviving The Turbulence Dato' Johan Bin Ariffin, Datuk Abdul Jamil Bin Mohd Ali & Dato' Dr Zabir Bin Bajuri
- Navigating The Global Economic Fragility: Implications on Malaysian Business Dato' Wira Zainuddin Bin Mahmud
- Failed Business: Deriving Sound Strategic Insights Mr. Koay Then Hin
- Updates on Company Laws and Practice & Seminar Percukaian Kebangsaan 2013 Mr Foo Kee Fatt
- Managing Sustainable Business Transformation From Good to Great Mr. Wong Yuk Thin

Re-election

In accordance with the provisions of the Articles of Association of the Company, one-third of the Directors for the time being or, if their number is not a multiple of three (3), then the number nearest to one-third shall retire from office at the Annual General Meeting ("AGM"). All the Directors shall retire from office once at least in each three years and shall be eligible for re-election.

In accordance with Section 129(6) of the Companies Act, 1965, Directors who are over seventy (70) years of age are required to submit themselves for re-appointment on an annual basis.

To assist shareholders in their decision, sufficient information such as personal profile, meetings attendance and the shareholdings in the Group of each Director standing for election are furnished in the statement accompanying notice of the Annual General Meeting and this statement.

B. DIRECTORS' REMUNERATION

Remuneration Committee

The Remuneration Committee consists mainly of the following Non-Executive Directors:-

Datuk Abdul Jamil Bin Mohd Ali
 Dato' Lim Chee Meng
 Mr. Wong Yuk Thin
 Chairman, Non-Independent Non-Executive Director
 Member, Non-Independent Executive Director

The Company's policy on the Directors' remuneration is to attract, retain and motivate Directors to effectively manage the business of the Group. The Remuneration Committee is responsible for recommending and putting in place a structured remuneration framework for Executive Directors.

The Executive Director's remuneration is KPI based and in evaluating the Executive Director's remuneration, the Remuneration Committee takes into account corporate financial performance as well as performance on a range of non-financial factors including accomplishment of strategic goals. The Committee recommends to the Board the remuneration package of an Executive Director and it is the responsibility of the Board to approve the remuneration package of an Executive Director, with the Executive Director concerned abstaining from deliberation and voting on the same.

For Non-Executive Directors, the level of remuneration shall reflect the experience and level of responsibilities undertaken by the non-executive directors concerned and is determined by the Board as a whole, with the Directors concerned abstaining from deliberations or voting on decision in respect of their individual remuneration.

All Directors are provided with directors' fees and additional fees for undertaking responsibilities as Chairman of the Board. The aggregate amount of directors' fees to be paid to the Directors is subject to the approval of the shareholders at the annual general meeting. Non-Executive Directors are also remunerated with meeting allowances. The Company reimburses all expenses incurred by the Directors, where relevant, in the course of carrying out their duties as Directors.

During the financial year, the Remuneration Committee met once and all members of the Committee attended the meetings. During the year, the Remuneration Committee reviewed the bonuses and increments of the Executive Directors.

C. CORPORATE DISCLOSURE AND SHAREHOLDERS

The Board recognises the importance of accountability to its shareholders through proper and equal dissemination of information to its shareholders. The Board acknowledges that shareholders should be informed of all material business matters which influence the Group. Timely release of quarterly financial results to Bursa Malaysia Securities Berhad and other information and corporate actions taken by the Group that warrant an announcement to Bursa Malaysia Securities Berhad under the Listing Requirements of Bursa Malaysia Securities Berhad provide shareholders with a current overview of the Group's performance. Towards this end, the Board has established a Policy On Corporate Disclosure which provides guidance to the Board, Management and employees on the Group's disclosure requirements and practices in disseminating material information to and in dealing with stakeholders, analysts, media and the investing public.

Whilst the Annual Report provides a comprehensive source of information on the Group's financial and operational performance, the AGM and Extraordinary General Meetings provide a platform for shareholders to seek more information and clarification on the audited financial statements, operational issues and other matters of interest. The Board encourages poll voting for the resolutions and active participation of the shareholders at the AGM. The Directors readily avail themselves to answer any such questions that may arise as shareholders may seek more information than what is available in the Annual Report and/or circulars. The Company's practice is to send out the notice of AGM and related papers to shareholders at least twenty-one (21) days before the meeting.

In addition, the Board and Management welcome any form of visit by fund managers and analysts and conduct regular briefings to them as the Board believes that this will give investors and interested parties on one hand, a better appreciation and understanding of the Group's performance and on the other, awareness of the expectations and concerns of investors and such interested parties. Besides, the Company also maintains an official website at www.cicb.com.my that provides background information of the Group to the public. However, in any circumstances, while the Company endeavours to provide as much information as possible to its shareholders and stakeholders, it is mindful of the legal and regulatory framework governing the release of material and price-sensitive information. However, in any of the circumstances, the Directors are cautious not to provide undisclosed material information about the Group and frequently stress the importance of timely and equal dissemination of information to shareholders and stakeholders.

D. ACCOUNTABILITY AND AUDIT

Financial reporting

The Board aims to provide and present a balanced and meaningful assessment of the Group's financial performance and prospects at the end of the financial year, primarily through the annual financial statements, quarterly announcement of results to Bursa Malaysia Securities Berhad as well as the Chairman's statement and review of operations in the Annual Report. The Board is assisted by the Audit and Risk Management Committee to oversee the Group's financial reporting processes and the quality of its financial reporting.

Directors' responsibility statement in respect of the preparation of the audited financial statements

The Board is responsible for ensuring that the financial statements of the Group give a true and fair view of the state of affairs of the Group and of the Company as at the end of the financial year and the results of their operations and cash flows for the year then ended. In preparing the financial statements, the Directors have ensured that applicable approved accounting standards in Malaysia and the provisions of the Companies Act, 1965 have been applied.

In preparing the financial statements, the Directors have selected and applied consistently suitable accounting policies and made reasonable and prudent judgements and estimates.

The Directors also have a general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the Group and to prevent and detect fraud and other irregularities.

State of internal controls

The Statement of Risk Management and Internal Control furnished on pages 27 to 28 of the Annual Report, provides an overview on the state of risk management and internal controls within the Group.

Relationship with the Auditors

Key features underlying the relationship of the Audit and Risk Management Committee with the internal and external auditors are included in the Audit and Risk Management Committee's terms of reference as detailed on pages 13 to 16 of the Annual Report.

A summary of the activities of the Audit and Risk Management Committee during the financial year are set out in the Audit and Risk Management Committee Report on pages 15 to 16 of the Annual Report.

Statement of Risk Management and Internal Control

Pursuant to Paragraph 15.26(b) Main Listing Requirements of Bursa Malaysia Securities Berhad, the Board of Directors of Central Industrial Corporation Berhad is pleased to provide the following statement that was prepared in accordance with the revised guideline, called the Statement on Risk Management and Internal Control – Guidelines for Directors of Public Listed Issuers which outline the nature and scope of risk management and internal control of the Group during the financial year under review.

RESPONSIBILITY FOR RISK MANAGEMENT AND INTERNAL CONTROL

The Board recognises the importance of risk management and risk-based internal audit to establish and maintain a sound system of internal control. The Board affirms its overall responsibility for the Group's systems of internal control and for reviewing the adequacy and integrity of those systems to safeguard the shareholders' interest and the Group's assets. Because of the limitations that are inherent in any systems of internal control, those systems are designed to manage rather than eliminate the risk of failure to achieve business objectives, and can only provide reasonable and not absolute assurance against material losses, fraud, misstatements or breaches of laws and regulations.

The Board and Management acknowledge that a sound internal control system is a vital process developed to ensure effective and efficient operation, provide reliable and relevant reporting, and compliance with the applicable laws and regulations.

The Board has established an on-going process for identifying, evaluating and managing the significant risks faced, or potentially exposed to, by the Group in pursuing and achieving its business objectives and strategies. This process has been in place throughout the financial year and up to the date of approval of the annual report.

RISK MANAGEMENT

As part of risk identification process, the Board reviews progress reports circulated by the Management during the Board meetings. These progress reports contained updates on financial and operational findings, major proposed transactions, changes in nature of activities and/or operating environment, or venturing into new operating environment. The Board responds to those issues and risks identified during the Board meeting and subsequently put in place appropriate risk response strategies and controls until those risks are managed to, and maintained at, a level acceptable to the Board.

INTERNAL AUDIT

The Board acknowledges the importance of internal audit function and has engaged the services of an external independent professional accounting and consulting firm to provide much of the assurance it requires regarding the effectiveness as well as the adequacy and integrity of the Group's systems of internal control, risk management and governance.

The internal audit adopts a risk-based approach in developing its audit plan which addresses all the core auditable areas of the Group based on their risk profile. Scheduled internal audits are carried out by the internal auditors based on the audit plan presented to and approved by the Audit and Risk Management Committee. The audit focuses on areas with high risk and inadequate controls to ensure that an adequate action plan has been put in place to improve the controls. For those areas with high risk and inadequate controls, the audit ascertains that the risks are effectively mitigated by the controls. On a quarterly basis or earlier as appropriate, the internal auditors report to the Audit and Risk Management Committee on areas for improvement and will subsequently follow up to determine the extent of their recommendations that have been implemented.

Internal audit findings are discussed at management level and actions are agreed in response to the internal audit recommendations. The progress of implementation of the agreed actions is being monitored by Internal Audit through follow up reviews.

Statement of Risk Management and Internal Control (cont'd)

INTERNAL CONTROL

Apart from risk management and internal audit, the Group has put in place the following key elements of internal control:

- An organisation structure with well-defined scopes of responsibility, clear lines of accountability, and appropriate levels of delegated authority;
- A process of hierarchical reporting which provides for a documented and auditable trail of accountability;
- A set of documented internal policies and procedures which is subject to regular review and improvement;
- Regular and comprehensive information provided to management, covering financial and operational performance and key business indicators, for effective monitoring and decision making;
- Monthly monitoring of results against budget, with major variances being followed up and management action taken, where necessary;
- Regular visits to operating units by members of the Board and senior management;
- Adherence to health, safety, environmental and quality standards of the Group as enforced by the regulatory authorities;
- An annual planning and budgetary exercise is undertaken requiring all divisions to prepare business plans and budgets for the forthcoming year, which are deliberated upon and approved by the Board before implementation;
- A Code of Business Conduct has been established in February 2013 for all employees, which defines the ethical standards and conduct of work required;
- The Group has established a whistleblowing programme in February 2013 with the objective of providing the staff with a mechanism to raise their concerns regarding malpractices and irregularities affecting the Group whilst keeping the identity of the whistleblower confidential;
- The Company have been certified to MS ISO 9001; and
- The Group ensures assets are adequately covered against any mishap that could result in material loss. A yearly insurance policy renewal exercise is undertaken in which Management reviews the coverage based on the current fixed asset inventory and the respective net book values and 'replacement value'.

Based on the internal auditors' report for the financial year ended 31 December 2013, there is reasonable assurance that the Group's systems of internal control are adequate and appears to be operating satisfactorily. A number of minor internal control weaknesses were identified during the financial year, all of which have been, or are being, addressed. None of the weaknesses have resulted in any material losses, contingencies or uncertainties that would require disclosure in the Group's annual report.

The Board is committed towards enhancing the internal control system of the Group. Where areas of improvement in the system are identified, the Board considers the recommendations made by both the Audit and Risk Management Committee and Management.

The Board has received assurance from the Managing Director and Group Financial Controller that the Group's risk management and internal controls system is operating adequately and effectively in all material aspects, based on the risk management and internal controls system of the Group.

The statement is made in accordance with a resolution of the Board of Directors dated 28 April 2014.

Statement on Corporate Social Responsibility

The Company has undertaken the following initiatives as an integral parts of its business operations and practices by contributing to the welfare of its employees, stakeholders, the general public and the environment it operates:-

Environmental Awareness

The Company is committed to prevent pollution through environmental controls, minimization of wastes and efficient use of all the energy. The Company has engaged competent consultants to conduct Air Emission/Pollution Monitoring and Noise Monitor to ensure that our operations meet the requirements set by the various authorities. The Company has its environment team to promote environmental awareness and in the conservation of the environment. The environment team will continue to play an active part in providing awareness to our employees and education in environment CSR. In addition, we also communicate to our customers, suppliers, contractors, shareholders and the public on our commitment to environmental protection and conservation.

With the CSR Charter in mind, we are committed to preserve pollution through minimization of waste. We are obliged to ensure that our operations do not degrade the environment. The Company has over the years undertaken its fair share to conserve the environment including:-

(i) Solvent Recovery

The Company has invested approximately RM2.0 million on a gigantic solvent recovery plant to recover the solvent from the tape coating process. It was a cost-effective method as it reduces the actual consumption of solvent greatly. A mini solvent recovery device was also purchased to recover the solvent used for machine cleaning.

(ii) Scheduled Waste Management

All scheduled waste will be packed according to the requirements of Department of Environment and Kualiti Alam and transported to waste management plant of Kualiti Alam at Bukit Nenas.

(iii) Non-Scheduled Waste Management

All non-scheduled waste will be disposed by licensed contractor at industrial waste dump site.

(iv) Chemical Health Risk Assessment

As various chemicals are used in our production process, we have engaged a registered Chemical Health Risk Assessor to carry out the assessment.

Our effort in undertaking the protection of our environment is part of our commitment to maintain our standard towards environmental control.

Statement on Corporate Social Responsibility (cont'd)

Contribution to the Community

(i) Industrial Training

The Company has provided industrial training (for a period of 3 to 6 months, with allowance provided) to undergraduates studying at local higher education as opportunities for these undergraduates to experience the operations and productions of the Company.

(ii) Charitable Contributions

We have during the year contributed to the local community and charitable organizations with the cash donation and would continue to support the needy and the underprivileged.

Our efforts in undertaking CSR are part of our commitment and mission in managing our business responsibility towards ensuring all the shareholders have benefited in one way or another.

We continue to play our part as a responsible corporate citizen and discharging our social responsibilities through active participation in all the CSR programs.

Employees' Welfare

In today's competitive environment, the most important contribution to the Company's growth is its employees. As part of our corporate social responsibility ("CSR"), the Company has initiated the following activities to promote the welfare of all our employees:-

(i) Safety & Health Team

The Company has its in-house Occupational Safety & Health Committee which meet at least once quarterly to discuss on the safety and health related issues concerning the employees, plant & equipment and also the working environment. The Committee shall continue to improve the Company's safety & health performance by proactively providing awareness and programs for our employees in relation to a safe workplace.

(ii) Human Capital Development

The Company believes that its human capital forms the backbone of the organisation. The Group human resource's solution is thus very closely aligned to its business priorities as the Group recognises the symbiosis between an organisation and its human capital. The Company recognises that by aligning its growth strategy to external changes and mobilising its people to act quickly and vigorously in response to these changes is critical to the Group's continued growth. The Company has a policy of providing training for all level of staff. The Group contributes to Human Resource Development Fund and is committed to the development and training of the employees to enhance their skill and competencies.

(iii) Emergency Response Team

An Emergency Response Team (ERT) is formed to assist the Management and employees during any emergencies to ensure that all the employees are aware of their own safety during fire and that the Company's properties and materials are well protected from any accident or mishap.

We think that our employees are behind the success of the Company and they remain our long term valuable assets in ensuring the Company's long term sustainability.

By virtue of his interest in the shares of the Company, Dato' Lim Chee Meng is also deemed interested in the shares of the subsidiaries during the financial year to the extent that the Company has an interest.

None of the other Directors holding office at 31 December 2013 had any interest in the ordinary shares and options over shares of the Company and of its related corporations during the financial year.

DIRECTORS' BENEFITS

Since the end of the previous financial year, no Director of the Company has received nor become entitled to receive any benefit (other than a benefit included in the aggregate amount of emoluments received or due and receivable by Directors as shown in the financial statements or the fixed salary of a full time employee of the Company or of related corporations) by reason of a contract made by the Company or a related corporation with the Director or with a firm of which the Director is a member, or with a company in which the Director has a substantial financial interest other than as disclosed in Note 24 to the financial statements.

There were no arrangements during and at the end of the financial year which had the object of enabling Directors of the Company to acquire benefits by means of the acquisition of shares in or debentures of the Company or any other body corporate apart from the issue of the Employees Share Option Scheme ("ESOS").

ISSUE OF SHARES AND DEBENTURES

There were no changes in the authorised, issued and paid-up capital of the Company and no debentures were in issue during the financial year.

Directors' Report

for the year ended 31 December 2013 (cont'd)

OPTIONS GRANTED OVER UNISSUED SHARES

No options were granted to any person to take up unissued shares of the Company during the financial year apart from the issue of options pursuant to the ESOS.

The Company's ESOS was approved by the shareholders at the Extraordinary General Meeting on 6 August 2003. The scheme was effective for a period of five (5) years commencing on 23 March 2004 and had expired on 22 March 2009 ("Option Period"). In year 2009, the Board of Directors decided to extend the ESOS period for up to a maximum period of an additional five (5) years, commencing on 23 March 2009 based on terms and conditions as set out in the ESOS bye-laws upon recommendation from the ESOS Committee.

The ESOS expired on 22 March 2014 and was not further extended.

The salient features of the ESOS scheme are, inter alia, as follows:

- i) The total number of shares to be offered under the ESOS shall not exceed 10% of the issued and paid-up share capital of the Company at any point of time during the existence of the Scheme;
- ii) Eligible employees are employees of the Group who have been confirmed in service on the date of the offer and with at least one (1) year of continuous service;
- iii) The option price shall be the higher of the following:
 - a) at a discount of not more than ten percent (10%) from the weighted average market price of the ordinary shares of RM1.00 each in the Company as shown in the daily official list issued by Bursa Malaysia Securities Berhad for the five (5) market days immediately preceding the date of offer; or
 - b) the par value of the ordinary shares in the Company; and
- iv) The options granted to eligible employees shall automatically lapse when they are no longer in employment of the Group.

The options offered to take up unissued ordinary shares of RM1 each and the exercise price are as follows :

		Number of options over ordinary shares of RM1 each			
Date of offer	Exercise price	At 1.1.2013	Granted	(Lapsed)	At 31.12.2013
23 March 2006	RM 1.00	1,054,000	-	(48,000)	1,006,000

The persons to whom the options have been granted have no right to participate by virtue of the options in any share issue of any other company.

OTHER STATUTORY INFORMATION

Before the financial statements of the Group and of the Company were made out, the Directors took reasonable steps to ascertain that :

- i) all known bad debts have been written off and adequate provision made for doubtful debts, and
- ii) any current assets which were unlikely to be realised in the ordinary course of business have been written down to an amount which they might be expected so to realise.

Directors' Report for the year ended 31 December 2013 (cont'd)

OTHER STATUTORY INFORMATION (cont'd)

At the date of this report, the Directors are not aware of any circumstances :

- that would render the amount written off for bad debts or the amount of the provision for doubtful debts in the Group and in the Company inadequate to any substantial extent, or
- ii) that would render the values attributed to the current assets in financial statements of the Group and of the Company misleading, or
- iii) which have arisen which render adherence to the existing method of valuation of assets or liabilities of the Group and of the Company misleading or inappropriate, or
- not otherwise dealt with in this report or the financial statements, that would render any amount stated in the financial iv) statements of the Group and of the Company misleading.

At the date of this report, there does not exist:

- any charge on the assets of the Group or of the Company that has arisen since the end of the financial year and which i) secures the liabilities of any other person, or
- jj) any contingent liability in respect of the Group or of the Company that has arisen since the end of the financial year.

No contingent liability or other liability of any company in the Group has become enforceable, or is likely to become enforceable within the period of twelve months after the end of the financial year which, in the opinion of the Directors, will or may substantially affect the ability of the Group and of the Company to meet their obligations as and when they fall due.

In the opinion of the Directors, except for inventories written off, repair and maintenance expenses and insurance claim arising from the fire incident that occurred during the financial year as disclosed in Note 28 to the financial statements, the financial performance of the Group and of the Company for the financial year ended 31 December 2013 have not been substantially affected by any item, transaction or event of a material and unusual nature nor has any such item, transaction or event occurred in the interval between the end of that financial year and the date of this report.

SIGNIFICANT EVENT

Details of the significant event are as disclosed in Note 28 to the financial statements.

- MFRS 9, Financial Instruments (2009)
- MFRS 9, Financial Instruments (2010)
- MFRS 9, Financial Instruments Hedge Accounting and Amendments to MFRS 9, MFRS 7 and MFRS 139
- Amendments to MFRS 7, Financial Instruments: Disclosures Mandatory Effective Date of MFRS 9 and Transition Disclosures

1. BASIS OF PREPARATION (cont'd)

(a) Statement of compliance (cont'd)

The Group and the Company plan to apply the above mentioned standards, amendments and interpretations:

- from the annual period beginning on 1 January 2014 for those accounting standards, amendments or interpretations that are effective for annual periods beginning on or after 1 January 2014 except for those marked "*" which are not applicable to the Group and the Company; and
- from the annual period beginning on 1 January 2015 for those accounting standards, amendments or interpretations that are effective for annual periods beginning on or after 1 July 2014 except for those marked "#" which are not applicable to the Group and the Company.

The initial application of the accounting standards, amendments or interpretations are not expected to have any material financial impacts to the current period and prior periods financial statements of the Group and of the Company.

(b) Basis of measurement

The financial statements have been prepared on the historical cost basis other than as disclosed in Note 2.

(c) Functional and presentation currency

These financial statements are presented in Ringgit Malaysia (RM), which is the Company's functional currency, unless otherwise stated.

(d) Use of estimates and judgements

The preparation of the financial statements in conformity with MFRS requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected.

There are no significant areas of estimation uncertainty and critical judgements in applying accounting policies that have significant effect on the amounts recognised in the financial statements other than those disclosed in the following notes:

- Note 4 valuation of investment properties
- Note 8 provisions and contingencies
- Note 13 unrecognised deferred tax assets

2. SIGNIFICANT ACCOUNTING POLICIES

The accounting policies set out below have been applied consistently to the periods presented in these financial statements and have been applied consistently by Group entities, unless otherwise stated.

(a) **Basis of consolidation**

(i) Subsidiaries

Subsidiaries are entities, including structured entities, controlled by the Company. The financial statements of subsidiaries are included in the consolidated financial statements from the date that control commences until the date that control ceases.

The Group adopted MFRS 10, Consolidated Financial Statements in the current financial year. This resulted in changes to the following policies:

- Control exists when the Group is exposed, or has rights, to variable returns from its involvement with the entity and has the ability to affect those returns through its power over the entity. In the previous financial years, control exists when the Group has the ability to exercise its power to govern the financial and operating policies of an entity so as to obtain benefits from its activities.
- Potential voting rights are considered when assessing control only when such rights are substantive. In the previous financial years, potential voting rights are considered when assessing control when such rights are presently exercisable.
- The Group considers it has de facto power over an investee when, despite not having the majority of voting rights, it has the current ability to direct the activities of the investee that significantly affect the investee's return. In the previous financial years, the Group did not consider de facto power in its assessment of control.

The change in accounting policy has been made retrospectively and in accordance with the transitional provision of MFRS 10. The adoption of MFRS 10 has no significant impact to the financial statements of the Group.

Investments in subsidiaries are measured in the Company's statement of financial position at cost less any impairment losses, unless the investment is classified as held for sale or distribution. The cost of investments includes transaction costs.

(ii) **Business combinations**

Business combinations are accounted for using the acquisition method from the acquisition date, which is the date on which control is transferred to the Group.

For new acquisitions, the Group measures the cost of goodwill at the acquisition date as:

- the fair value of the consideration transferred; plus
- the recognised amount of any non-controlling interests in the acquiree; plus
- if the business combination is achieved in stages, the fair value of the existing equity interest in the
- the net recognised amount (generally fair value) of the identifiable assets acquired and liabilities assumed.

When the excess is negative, a bargain purchase gain is recognised immediately in profit or loss.

Transaction costs, other than those associated with the issue of debt or equity securities, that the Group incurs in connection with a business combination are expensed as incurred.

2. SIGNIFICANT ACCOUNTING POLICIES (cont'd)

(a) Basis of consolidation (cont'd)

(iii) Loss of control

Upon the loss of control of a subsidiary, the Group derecognises the assets and liabilities of the former subsidiary, any non-controlling interests and the other components of equity related to the former subsidiary. Any surplus or deficit arising on the loss of control is recognised in profit or loss. If the Group retains any interest in the former subsidiary, then such interest is measured at fair value at the date that control is lost. Subsequently it is accounted for as an equity-accounted investee or as an available-for-sale financial asset depending on the level of influence retained.

(iv) Transactions eliminated on consolidation

Intra-group balances and transactions, and any unrealised income and expenses arising from intra-group transactions, are eliminated in preparing the consolidated financial statements.

(b) Foreign currency

(i) Foreign currency transactions

Transactions in foreign currencies are translated to the respective functional currencies of Group entities at exchange rates at the dates of the transactions.

Monetary assets and liabilities denominated in foreign currencies at the end of the reporting period are retranslated to the functional currency at the exchange rate at that date.

Non-monetary assets and liabilities denominated in foreign currencies are not retranslated at the end of the reporting date, except for those that are measured at fair value are retranslated to the functional currency at the exchange rate at the date that the fair value was determined.

Foreign currency differences arising on retranslation are recognised in profit or loss.

(ii) Operations denominated in functional currencies other than Ringgit Malaysia

The assets and liabilities of operations denominated in functional currencies other than RM, including fair value adjustments arising on acquisition, are translated to RM at exchange rates at the end of the reporting period, except for fair value adjustments arising from business combinations before 1 January 2011 (the date when the Group first adopted MFRS) which are treated as assets and liabilities of the Company. The income and expenses of foreign operations are translated to RM at exchange rates at the dates of the transactions.

Foreign currency differences are recognised in other comprehensive income and accumulated in the foreign currency translation reserve ("FCTR") in equity. When a foreign operation is disposed of such that control, in part or in full, the cumulative amount in the FCTR related to that foreign operation is reclassified to profit or loss as part of the profit or loss on disposal.

When the Group disposes of only part of its interest in a subsidiary that includes a foreign operation, the relevant proportion of the cumulative amount is reattributed to non-controlling interests.

In the consolidated financial statements, when settlement of a monetary item receivable from or payable to a foreign operation is neither planned nor likely in the foreseeable future, foreign exchange gains and losses arising from such a monetary item are considered to form part of a net investment in a foreign operation and are recognised in other comprehensive income, and are presented in the FCTR in equity.

SIGNIFICANT ACCOUNTING POLICIES (cont'd) 2.

Financial instruments

Initial recognition and measurement

A financial asset or a financial liability is recognised in the statement of financial position when, and only when, the Group or the Company becomes a party to the contractual provisions of the instrument.

A financial instrument is recognised initially, at its fair value plus, in the case of a financial instrument not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition or issue of the financial instrument.

(ii) Financial instrument categories and subsequent measurement

The Group and the Company categorise financial instruments as follows:

Financial assets

Financial assets at fair value through profit or loss (a)

Fair value through profit or loss category comprises financial assets that are held for trading, including derivatives or financial assets that are specifically designated into this category upon initial recognition.

Derivatives that are linked to and must be settled by delivery of unquoted equity instruments whose fair values cannot be reliably measured are measured at cost.

Other financial assets categorised as fair value through profit or loss are subsequently measured at their fair values with the gain or loss recognised in profit or loss.

(b) Loans and receivables

Loans and receivables category comprises debt instruments that are not quoted in an active market.

Financial assets categorised as loans and receivables are subsequently measured at amortised cost using the effective interest method.

All financial assets, except for those measured at fair value through profit or loss, are subject to review for impairment (see Note 2(i)(i)).

Financial liabilities

All financial liabilities are subsequently measured at amortised cost other than those categorised as fair value through profit or loss.

Fair value through profit or loss category comprises financial liabilities that are derivatives or financial liabilities that are specifically designated into this category upon initial recognition.

Derivatives that are linked to and must be settled by delivery of equity instruments that do not have a quoted price in an active market for identical instruments whose fair values cannot be reliably measured are measured at cost.

Other financial liabilities categorised as fair value through profit or loss are subsequently measured at their fair values with the gain or loss recognised in profit or loss.

2. SIGNIFICANT ACCOUNTING POLICIES (cont'd)

(c) Financial instruments (cont'd)

(iii) Derecognition

A financial asset or part of it is derecognised when, and only when the contractual rights to the cash flows from the financial asset expire or the financial asset is transferred to another party without retaining control or substantially all risks and rewards of the asset. On derecognition of a financial asset, the difference between the carrying amount and the sum of the consideration received (including any new asset obtained less any new liability assumed) and any cumulative gain or loss that had been recognised in equity is recognised in profit or loss.

A financial liability or a part of it is derecognised when, and only when, the obligation specified in the contract is discharged or cancelled or expires. On derecognition of a financial liability, the difference between the carrying amount of the financial liability extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss.

(d) Property, plant and equipment

(i) Recognition and measurement

Items of property, plant and equipment are measured at cost less any accumulated depreciation and any accumulated impairment losses.

Cost includes expenditures that are directly attributable to the acquisition of the asset and any other costs directly attributable to bringing the asset to working condition for its intended use, and the costs of dismantling and removing the items and restoring the site on which they are located. The cost of self-constructed assets also includes the cost of materials and direct labour. For qualifying assets, borrowing costs are capitalised in accordance with the accounting policy on borrowing costs.

Purchased software that is integral to the functionality of the related equipment is capitalised as part of that equipment.

The cost of property, plant and equipment recognised as a result of a business combination is based on fair value at acquisition date. The fair value of property is the estimated amount for which a property could be exchanged between knowledgeable willing parties in an arm's length transaction after proper marketing wherein the parties had each acted knowledgeable, prudently and without compulsion. The fair value of other items of plant and equipment is based on the quoted market prices for similar items when available and replacement cost when appropriate.

When significant parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

The gain or loss on disposal of an item of property, plant and equipment is determined by comparing the proceeds from disposal with the carrying amount of property, plant and equipment and is recognised net within "other income" and "other expenses" respectively in profit or loss.

2. SIGNIFICANT ACCOUNTING POLICIES (cont'd)

(d) Property, plant and equipment (cont'd)

(ii) Subsequent costs

The cost of replacing a component of an item of property, plant and equipment is recognised in the carrying amount of the item if it is probable that the future economic benefits embodied within the component will flow to the Group or the Company and its cost can be measured reliably. The carrying amount of the replaced component is derecognised to profit or loss. The costs of the day-to-day servicing of property, plant and equipment are recognised in profit or loss as incurred.

(iii) Depreciation

Depreciation is based on the cost of an asset less its residual value. Significant components of individual assets are assessed, and if a component has a useful life that is different from the remainder of that asset, then that component is depreciated separately.

Depreciation is recognised in profit or loss on a straight-line basis over the estimated useful lives of each component of an item of property, plant and equipment. Leased assets are depreciated over the shorter of the lease term and their useful lives unless it is reasonably certain that the Group will obtain ownership by the end of the lease term. Property, plant and equipment under construction are not depreciated until the assets are ready for their intended use.

The principal annual depreciation rates for the current and comparative periods are as follows:

	%
Buildings	2 - 10
Plant, machinery and loose tools	7.5 - 33.33
Furniture, fittings, equipment and installations	7.5 - 33.33
Motor vehicles	20

Depreciation methods, useful lives and residual values are reviewed at the end of the reporting period and, adjusted as appropriate.

(e) Leased assets

(i) Finance lease

Leases in terms of which the Group or the Company assumes substantially all the risks and rewards of ownership are classified as finance leases. Upon initial recognition, the leased asset is measured at an amount equal to the lower of its fair value and the present value of the minimum lease payments. Subsequent to initial recognition, the asset is accounted for in accordance with the accounting policy applicable to that asset.

Minimum lease payments made under finance leases are apportioned between the finance expense and the reduction of the outstanding liability. The finance expense is allocated to each period during the lease term so as to produce a constant periodic rate of interest on the remaining balance of the liability. Contingent lease payments are accounted for by revising the minimum lease payments over the remaining term of the lease when the lease adjustment is confirmed.

2. SIGNIFICANT ACCOUNTING POLICIES (cont'd)

(e) Leased assets (cont'd)

(ii) Operating leases

Leases, where the Group or the Company does not assume substantially all the risks and rewards of ownership are classified as operating leases and, except for property interest held under operating lease, the leased assets are not recognised on the statement of financial position. Property interest held under an operating lease, which is held to earn rental income or for capital appreciation or both, is classified as investment property and measured using fair value model.

Payments made under operating leases are recognised in profit or loss on a straight-line basis over the term of the lease. Lease incentives received are recognised in profit or loss as an integral part of the total lease expense, over the term of the lease. Contingent rentals are charged to profit or loss in the reporting period in which they are incurred.

Leasehold land which in substance is an operating lease is classified as prepaid lease payments.

Leasehold land is amortised over the remaining lease period of 44 years.

(f) Investment properties

Investment properties carried at cost

Investment properties are properties which are owned to earn rental income or for capital appreciation or for both, but not for sale in the ordinary course of business, use in the production or supply of goods or services or for administrative purpose. Properties that are occupied by the companies in the Group are accounted for as owner-occupied rather than as investment properties. Investment properties initially and subsequently measured at cost are accounted for similarly to property, plant and equipment.

Investment properties are stated at cost less any accumulated depreciation and any accumulated impairment losses, consistent with the accounting policy for property, plant and equipment as stated in Note 2(d).

Depreciation is charged to profit or loss on a straight-line basis over the estimated useful life of 50 years for buildings.

The fair values are based on market values, being the estimated amount by the Directors for which a property could be exchanged on the date of the valuation between a willing buyer and a willing seller in an arm's length transaction after proper marketing wherein the parties had each acted knowledgeably, prudently and without compulsion.

(g) Inventories

Inventories are measured at the lower of cost and net realisable value

The cost of inventories is measured based on weighted average cost formula, and includes expenditure incurred in acquiring the inventories, production or conversion costs and other costs incurred in bringing them to their existing location and condition. In the case of work-in-progress and manufactured inventories, cost includes an appropriate share of production overheads based on normal operating capacity.

Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale.

2. SIGNIFICANT ACCOUNTING POLICIES (cont'd)

(h) Cash and cash equivalents

Cash and cash equivalents consist of cash on hand, balances and deposits with banks and highly liquid investments which have an insignificant risk of changes in fair value with original maturities of three months or less, and are used by the Group and the Company in the management of their short term commitments. For the purpose of the statement of cash flows, cash and cash equivalents are presented net of bank overdrafts and pledged deposits, if any.

(i) Impairment

(i) Financial assets

All financial assets (except for financial assets categorised as fair value through profit or loss and investments in subsidiaries) are assessed at each reporting date whether there is any objective evidence of impairment as a result of one or more events having an impact on the estimated future cash flows of the asset. Losses expected as a result of future events, no matter how likely, are not recognised. For an investment in an equity instrument, a significant or prolonged decline in the fair value below its cost is an objective evidence of impairment. If any such objective evidence exists, then the impairment loss of the financial asset is estimated.

An impairment loss in respect of loans and receivables is recognised in profit or loss and is measured as the difference between the asset's carrying amount and the present value of estimated future cash flows discounted at the asset's original effective interest rate. The carrying amount of the asset is reduced through the use of an allowance account.

If, in a subsequent period, the fair value of a debt instrument increases and the increase can be objectively related to an event occurring after the impairment loss was recognised in profit or loss, the impairment loss is reversed, to the extent that the asset's carrying amount does not exceed what the carrying amount would have been had the impairment not been recognised at the date the impairment is reversed. The amount of the reversal is recognised in profit or loss.

(ii) Other assets

The carrying amounts of other assets (except for inventories) are reviewed at the end of each reporting period to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

For the purpose of impairment testing, assets are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or cash-generating units. Subject to an operating segment ceiling test, for the purpose of goodwill impairment testing, cash-generating units to which goodwill has been allocated are aggregated so that the level at which impairment testing is performed reflects the lowest level at which goodwill is monitored for internal reporting purposes. The goodwill acquired in a business combination, for the purpose of impairment testing, is allocated to group of cash-generating units that are expected to benefit from the synergies of the combination.

The recoverable amount of an asset or cash-generating unit is the greater of its value in use and its fair value less costs of disposal. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset or cash-generating unit.

2. SIGNIFICANT ACCOUNTING POLICIES (cont'd)

(i) Impairment (cont'd)

(ii) Other assets (cont'd)

An impairment loss is recognised if the carrying amount of an asset or its related cash-generating unit exceeds its estimated recoverable amount.

Impairment losses are recognised in profit or loss. Impairment losses recognised in respect of cash-generating units are allocated to reduce the carrying amount of the other assets in the cash-generating unit (groups of cash-generating units) on a pro rata basis.

An impairment loss in respect of goodwill is not reversed. In respect of other assets, impairment losses recognised in prior periods are assessed at the end of each reporting period for any indications that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount since the last impairment loss was recognised. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised. Reversals of impairment losses are credited to profit or loss in the financial year in which the reversals are recognised.

(j) Equity instruments

Instruments classified as equity are measured at cost on initial recognition and are not remeasured subsequently.

(i) Issue expenses

Costs directly attributable to the issue of instruments classified as equity are recognised as a deduction from equity.

(ii) Ordinary shares

Ordinary shares are classified as equity.

(iii) Distributions of assets to owners of the Company

The Group measures a liability to distribute non-cash assets as a dividend to the owners of the Company at the fair value of the assets to be distributed. The carrying amount of the dividend is remeasured at each reporting period and at the settlement date, with any changes recognised directly in equity as adjustments to the amount of the distribution. On settlement of the transaction, the Group recognises the difference, if any, between the carrying amount of the assets distributed and the carrying amount of the liability in profit or loss.

2. SIGNIFICANT ACCOUNTING POLICIES (cont'd)

(k) Employee benefits

(i) Short-term employee benefits

Short-term employee benefit obligations in respect of salaries, annual bonuses, paid annual leave and sick leave are measured on an undiscounted basis and are expensed as the related service is provided.

A liability is recognised for the amount expected to be paid under short-term cash bonus or profit-sharing plans if the Group has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

(ii) State plans

The Group's contributions to statutory pension funds are charged to profit or loss in the financial year to which they relate. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in future payments is available.

(iii) Defined benefit plans

As a result of adopting MFRS 119 (2011), Employee Benefits, the Group has changed its accounting policy in respect of the basis for determining the income or expense relating to its post employment defined benefit plans.

The Group's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in the current and prior periods, discounting that amount and deducting the fair value of any plan assets.

The calculation of defined benefit obligations is performed once every three years by a qualified actuary using the projected unit credit method. When the calculation results in a potential asset for the Group, the recognised asset is limited to the present value of economic benefits available in the form of any future refunds from the plan or reductions in future contributions to the plan. To calculate the present value of economic benefits, consideration is given to any applicable minimum funding requirements.

Remeasurements of the net defined benefit obligation, which comprise actuarial gains and losses, the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest), are recognised immediately in other comprehensive income. The Group determines the net interest expense or income on the net defined liability or asset for the period by applying the discount rate used to measure the defined benefit obligation at the beginning of the annual period to the then net defined benefit liability or asset, taking into account any changes in the net defined benefit liability or asset during the period as a result of contributions and benefit payments.

Previously, the Group determined interest income on plan assets based on their long-term rate of expected return.

Net interest expense and other expenses relating to defined benefit plans are recognised in profit or loss.

When the benefits of a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service or the gain or loss on curtailment is recognised immediately in profit or loss. The Group recognises gains and losses on the settlement of a defined benefit plan when the settlement occurs.

The change in accounting policy requires retrospective application. However, as the effect of the adoption of MFRS 119 (2011) is not material, the changes were fully recognised in the current financial statements.

2. SIGNIFICANT ACCOUNTING POLICIES (cont'd)

(k) Employee benefits (cont'd)

(iv) Share-based payment transactions

The grant date fair value of share-based payment granted to employees is recognised as an employee expense, with a corresponding increase in equity, over the period that the employees unconditionally become entitled to the awards. The amount recognised as an expense is adjusted to reflect the number of awards for which the related service and non-market vesting conditions are expected to be met, such that the amount ultimately recognised as an expense is based on the number of awards that meet the related service and non-market performance conditions at the vesting date.

The fair value of the employee share options is measured using a binomial lattice model. Measurement inputs include share price on measurement date, exercise price of the instrument, expected volatility (based on weighted average historic volatility adjusted for changes expected due to publicly available information), weighted average expected life of the instruments (based on historical experience and general option holder behaviour), expected dividends, and the risk-free interest rate (based on government bonds). Service and non-market performance conditions attached to the transactions are not taken into account in determining fair value.

(I) Provisions

A provision is recognised if, as a result of a past event, the Group has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The unwinding of the discount is recognised as finance cost.

(m) Contingencies

(i) Contingent liabilities

Where it is not probable that an outflow of economic benefits will be required, or the amount cannot be estimated reliably, the obligation is not recognised in the statements of financial position and is disclosed as a contingent liability, unless the probability of outflow of economic benefits is remote. Possible obligations, whose existence will only be confirmed by the occurrence or non-occurrence of one or more future events, are also disclosed as contingent liabilities unless the probability of outflow of economic benefits is remote.

(ii) Contingent assets

Where it is not probable that there is an inflow of economic benefits, or the amount cannot be estimated reliably, the asset is not recognised in the statements of financial position and is disclosed as a contingent asset, unless the probability of inflow of economic benefits is remote. Possible obligations, whose existence will only be confirmed by the occurrence or non-occurrence of one or more future events, are also disclosed as contingent assets unless the probability of inflow of economic benefits is remote.

2. SIGNIFICANT ACCOUNTING POLICIES (cont'd)

(n) Revenue and other income

(i) Goods sold

Revenue from the sale of goods in the course of ordinary activities is measured at fair value of the consideration received or receivable, net of returns and allowances, trade discount and volume rebates. Revenue is recognised when persuasive evidence exists, usually in the form of an executed sales agreement, that the significant risks and rewards of ownership have been transferred to the customer, recovery of the consideration is probable, the associated costs and possible return of goods can be estimated reliably, and there is no continuing management involvement with the goods, and the amount of revenue can be measured reliably.

If it is probable that discounts will be granted and the amount can be measured reliably, then the discount is recognised as a reduction of revenue as the sales are recognised.

(ii) Rental income

Rental income from investment properties is recognised in profit or loss on a straight-line basis over the term of the lease. Lease incentives granted are recognised as an integral part of the total rental income, over the term of the lease.

(iii) Interest income

Interest income is recognised as it accrues using the effective interest method in profit or loss except for interest income arising from temporary investment of borrowings taken specifically for the purpose of obtaining a qualifying asset which is accounted for in accordance with the accounting policy on borrowing costs.

(o) Borrowing costs

Borrowing costs that are not directly attributable to the acquisition, construction or production of a qualifying asset are recognised in profit or loss using the effective interest method.

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are capitalised as part of the cost of those assets.

The capitalisation of borrowing costs as part of the cost of a qualifying asset commences when expenditure for the asset is being incurred, borrowing costs are being incurred and activities that are necessary to prepare the asset for its intended use or sale are in progress. Capitalisation of borrowing costs is suspended or ceases when substantially all the activities necessary to prepare the qualifying asset for its intended use or sale are interrupted or completed.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

2. SIGNIFICANT ACCOUNTING POLICIES (cont'd)

(p) Income tax

Income tax expense comprises current and deferred tax. Current tax and deferred tax are recognised in profit or loss except to the extent that it relates to a business combination or items recognised directly in equity or other comprehensive income.

Current tax is the expected tax payable or receivable on the taxable income or loss for the year, using tax rates enacted or substantively enacted by the end of the reporting period, and any adjustment to tax payable in respect of previous financial years.

Deferred tax is recognised using the liability method, providing for temporary differences between the carrying amounts of assets and liabilities in the statement of financial position and their tax bases. Deferred tax is not recognised for the initial recognition of assets or liabilities in a transaction that is not a business combination and that affects neither accounting nor taxable profit or loss. Deferred tax is measured at the tax rates that are expected to be applied to the temporary differences when they reverse, based on the laws that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realised simultaneously.

A deferred tax asset is recognised to the extent that it is probable that future taxable profits will be available against which the temporary difference can be utilised. Deferred tax assets are reviewed at the end of each reporting period and are reduced to the extent that it is no longer probable that the related tax benefit will be realised.

Unutilised reinvestment allowance, being tax incentives that is not a tax base of an asset, is recognised as a deferred tax asset to the extent that it is probable that the future taxable profits will be available against the unutilised tax incentive can be utilised.

(q) Earnings per ordinary share

The Group presents basic and diluted earnings/(loss) per share data for its ordinary shares ("EPS").

Basic EPS is calculated by dividing the profit or loss attributable to ordinary shareholders of the Company by the weighted average number of ordinary shares outstanding during the period, adjusted for own shares held.

Diluted EPS is determined by adjusting the profit or loss attributable to ordinary shareholders and the weighted average number of ordinary shares outstanding, adjusted for own shares held, for the effects of all dilutive potential ordinary shares, which comprise share options granted to employees.

(r) Operating segments

An operating segment is a component of the Group that engages in business activities from which it may earn revenues and incur expenses, including revenues and expenses that relate to transactions with any of the Group's other components. An operating segment's operating results are reviewed regularly by the chief operating decision maker, which in this case is the Managing Director of the Group, to make decisions about resources to be allocated to the segment and to assess its performance, and for which discrete financial information is available.

2. SIGNIFICANT ACCOUNTING POLICIES (cont'd)

(s) Fair value measurement

From 1 January 2013, the Group adopted MFRS 13, *Fair Value Measurement* which prescribed that fair value of an asset or a liability, except for share-based payment and lease transactions, is determined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The measurement assumes that the transaction to sell the asset or transfer the liability takes place either in the principal market or in the absence of a principal market, in the most advantageous market.

For non-financial asset, the fair value measurement takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

In accordance with the transitional provision of MFRS 13, the Group applied the new fair value measurement guidance prospectively, and has not provided any comparative fair value information for new disclosures. The adoption of MFRS 13 has not significantly affected the measurements of the Group's assets or liabilities other than the additional disclosures.

Fair value information

The fair value was based on Directors' estimation using the latest available market information and recent experience and knowledge in the location and category property being valued. The fair values of all investment properties of the Group and of the Company as at 31 December 2013 are classified as level 3 of the fair value hierarchy and determined to be approximately RM1,717,000 and RM2,600,000 respectively.

Estimation uncertainty and key assumptions

The Directors estimate the fair values of the Group's and the Company's investment properties based on the following key assumptions for certain properties:

- Discounted cash flows: The valuation method considers the present value of net cash flows to be generated from the properties, taking into account expected rental growth rate and occupancy rate. Among other factors, the discount rate estimation considers the quality of the building and its location (prime vs secondary).
- Comparison of the Group's and the Company's investment properties with similar properties that were listed for sale within the same locality or other comparable localities.
- Enquiries from relevant property valuers and real estate agents on market conditions and changing market trends.

The movement of reserves is shown in the statements of changes in equity.

11.1 Retained earnings

The entire retained earnings of the Company is eligible to be paid out as dividend under the single-tier Company income tax system in accordance with The Finance Act, 2007.

11.2 Translation reserve

The translation reserve comprises all foreign currency differences arising from the translation of the financial statements of foreign operation.

11.3 Share option reserve

The share option reserve comprises the cumulative value of employee services received for the issue of share options. When the option is exercised, the amount from the share option reserve is transferred to share premium. When the share options expire, the amount from the share option reserve is transferred to retained earnings. Share option is disclosed in Note 12.2 to the financial statements.

Present value of unfunded obligation	1,169,987	1,623,090

The Group makes contributions to an unfunded defined benefit scheme ("the Scheme") that provides retirement benefits for employees upon retirement benefits to non-executive employees who have served the Company for more than 10 years. Under the Scheme, a retired/resigned employee is entitled to receive an annual payment equal to 0.75 month of the final salary for each year of service the employee provided.

The defined benefit scheme exposes the Group to actuarial risks, such as interest rate risk.

In 2013, the retirement benefits plans have been amended to reflect the new legal requirements pertaining to the minimum retirement age of 60 years. As a consequence of the change in the retirement age, a past service cost was recognised immediately in the profit or loss.

Actuarial assumptions

Principal actuarial assumptions at the reporting date (expressed as weighted averages):

	2013	2012
Discount rate	10.0%	10.0%
Future salary growth	5.0%	5.2%

At 31 December 2013, the weighted-average duration of the defined benefit obligation of the Group and the Company was 14.8 years (2012 : 15.8 years).

Sensitivity analysis

Reasonably possible changes at the reporting date to one of the relevant actuarial assumptions, holding other assumptions constant, would have affected the defined benefit obligation by the amounts shown below.

	Defined ben	Defined benefit obligation		
	Increase	Decrease		
	RM	RM		
2013				
Discount rate (1% movement)	(145,494)	171,571		
Future salary growth (1% movement)	165,903	(143,414)		

Although the analysis does not account to the full distribution of cash flows expected under the plan, it does provide an approximation of the sensitivity of the assumptions shown.

12.2 Share-based payment transactions

On 23 March 2006, the Group established a share option programme that entitles eligible employees to purchase shares in the Company.

In accordance with this programme, options are exercisable at the market price of the shares at the date of grant.

The terms and conditions of the grants are as follows :

	← Vesting condition — →				
	1st Period	2nd Period	3rd Period	4th Period	5th Period
	until	23.03.2010 to	23.03.2011 to	23.03.2012 to	23.03.2013 to
	22.03.2010	22.03.2011	22.03.2012	22.03.2013	22.03.2014
Directors and Senior Management	20%	40%	60%	80%	100%
Middle Management and Executives	20%	40%	60%	80%	100%
Non-Executives	20%	40%	60%	80%	100%

The number and weighted average exercise prices of share options are as follows:

	Weighted average	2013	2012	
	exercise price	Number of options	Number of options	
	RM	('000)	('000)

Exercisable at 31 December	1.00	1,006	1,054	

12. EMPLOYEE BENEFITS - GROUP/COMPANY (cont'd)

12.2 Share-based payment transactions (cont'd)

The options outstanding at 31 December 2013 have an exercise price of RM1 and a weighted average contractual life of three (3) years.

In year 2009, the Board of Directors decided to extend the existing ESOS period for up to a maximum period of an additional five (5) years commencing on 23 March 2009 based on terms and conditions as set out in the ESOS bye-laws upon the recommendation from the ESOS Committee.

The ESOS expired on 22 March 2014 and was not further extended.

The fair value of services received in return for share options granted is based on the fair value of share options granted, measured using a Black-Scholes model, with the following inputs:

Fair value of share options and assumptions

Fair value at grant date	RM1.07
Weighted average share price	RM1.10
Exercise price	RM1.00
Expected volatility (weighted average volatility)	56.86%
Option life (expected weighted average life)	5 years
Expected dividends	1.15%
Risk-free interest rate (based on Malaysian government bonds)	3.73%

13. DEFERRED TAX

Unrecognised deferred tax assets

Deferred tax assets have not been recognised in respect of the following items (stated at gross):

		Group		Company		
	2013	2012	2013	2012		
	RM	RM	RM	RM		
		Restated		Restated

	12,914,000	14,053,000	12,371,000	13,781,000		

The comparative figures have been restated to reflect the revised unabsorbed capital allowances and unutilised tax losses available to the Group and to the Company. The unabsorbed capital allowances, unutilised reinvestment allowances and unutilised tax losses do not expire under current tax legislation. Deferred tax assets have not been recognised in respect of these items because it is not probable that future taxable profits will be available against which the Group and the Company can utilise the benefits therefrom.

22. EARNINGS/(LOSS) PER ORDINARY SHARE - GROUP

Basic earnings/(loss) per ordinary share

The calculation of basic earnings/(loss) per ordinary share at 31 December 2013 was based on the profit attributable to ordinary shareholders of RM366,665 (2012: loss attributable to ordinary shareholders of RM3,084,748) and a weighted average number of ordinary shares outstanding during the year of 45,780,000 (2012: 45,780,000).

Diluted earnings/(loss) per ordinary share

The Company has outstanding options to subscribe for new ordinary shares which are not converted at year end. As the exercise price exceeded the market value of the ordinary shares, the effect of the assumed conversion of the options to ordinary shares on the earnings/(loss) per share was anti-dilutive for the current and preceding financial year.

23. DIVIDEND

Dividend recognised by the Company:

	Sen per share	Total amount RM	Date of payment
2013 Final 2012 ordinary (net of tax)	1.125	515,025	9 July 2013
2012 Final 2011 ordinary (net of tax)	1.500	686,700	9 July 2012

The Directors recommend a final single tier dividend of 1.75% per ordinary share totalling RM801,150 in respect of the financial year ended 31 December 2013 subject to shareholders' approval at the forthcoming Annual General Meeting.

24. RELATED PARTIES

Identity of related parties

For the purposes of these financial statements, parties are considered to be related to the Group if the Group or the Company has the ability, directly or indirectly, to control or jointly control the party or exercise significant influence over the party in making financial and operating decisions, or vice versa, or where the Group or the Company and the party are subject to common control. Related parties may be individuals or other entities.

Related parties also include key management personnel defined as those persons having authority and responsibility for planning, directing and controlling the activities of the Group either directly or indirectly. Key management personnel includes all the Directors of the Group.

The Group has related party relationship with its significant investors, subsidiaries and key management personnel.

Significant related party transactions

Related party transactions have been entered into in the normal course of business under normal trade terms. The significant related party transactions of the Company are shown below. The balances related to the below transactions are shown in Notes 8 and 14

25. OPERATING SEGMENTS - GROUP

The Group's only reportable segment comprises manufacturing and sale of self- adhesive label stocks and tapes which are principally carried out in Malaysia. Segment information has not been separately presented because internal reporting uses the Group's financial statements.

Geographical information

In presenting information on the basis of geographical segments, segment revenue is based on the geographical location of customers. Segment assets are based on the geographical location of the assets. The amounts of non-current assets do not include financial instruments.

26.3 Financial risk management

The Group has exposure to the following risks from its use of financial instruments:

- Credit risk
- Liquidity risk
- Market risk

26.4 Credit risk

Credit risk is the risk of a financial loss to the Group and to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations. The Group's and the Company's exposure to credit risk arises principally from its receivables from customers including subsidiary.

Receivables (including subsidiary)

Risk management objectives, policies and processes for managing the risk

Management has a credit policy in place and the exposure to credit risk is monitored on an ongoing basis. Normally credit evaluations are performed on customers requiring credit over a certain amount.

Trade amount due from a subsidiary is subject to normal trade terms and the results of the subsidiary are monitored regularly to ensure that there is no indication of impairment.

Exposure to credit risk, credit quality and collateral

As at the end of the reporting period, the maximum exposure to credit risk arising from receivables (including subsidiary) is represented by the carrying amounts in the statement of financial position.

Management has taken reasonable steps to ensure that receivables that are neither past due nor impaired are stated at their realisable values. A significant portion of the Group's and the Company's receivables are regular customers that have been transacting with the Group. The Group uses ageing analysis to monitor the credit quality of the receivables. Any receivables having significant balances past due more than days, which are deemed to have higher credit risk, are monitored individually.

The allowance account in respect of trade receivables is used to record impairment losses. Unless the Group is satisfied that recovery of the amount is possible, the amount considered irrecoverable is written off against the receivables directly.

26.5 Liquidity risk

Liquidity risk is the risk that the Group will not be able to meet its financial obligations as they fall due. The Group's exposure to liquidity risk arises principally from its various payables and borrowing.

The Group maintains a level of cash and cash equivalents and bank facilities deemed adequate by the management to ensure, as for as possible, that it will have sufficient liquidity to meet its liabilities when they fall due.

It is not expected that the cash flows included in the maturity analysis could occur significantly earlier, or at significantly different amounts.

26.6 Market risk

Market risk is the risk that changes in market prices, such as foreign exchange rates, interest rates and other prices that will affect the Group's financial position or cash flows.

26.6.1 Currency risk

The Group is exposed to foreign currency risk on sales and purchases and borrowings that are denominated in a currency other than the respective functional currency of Group entities. The currencies giving rise to this risk are primarily U.S. Dollar ("USD") and Singapore Dollar ("SGD").

Risk management objectives, policies and processes for managing the risk

The Group ensures that the net exposure is kept to an acceptable level, by buying and selling foreign currencies at spot rate where necessary to address short-term imbalances.

Exposure to foreign currency risk

The Group's exposure to foreign currency (a currency which is other than the functional currency of the Group entities) risk, based on carrying amounts as at the end of the reporting period was:

	Denominated in		
	USD	SGD	
	RM	RM

Currency risk sensitivity analysis

Foreign currency risk arises from Group entities which have a Ringgit Malaysia (RM) functional currency. The exposure to currency risk of Group entities which do not have a RM functional currency is not material and hence, sensitivity analysis is not presented.

A 10% strengthening of the RM against the following currencies at the end of the reporting period would have increased/(decreased) equity and post-tax profit by the amounts shown below. This analysis assumes that all other variables, in particular interest rates, remained constant and ignores any impact of forecasted sales and purchases.

USD	-	19,406	-	(135,890)

A 10% weakening of RM against the above currencies at the end of the reporting period would have had equal but opposite effect on the above currencies to the amounts shown above, on the basis that all other variables remained constant.

26.6.2 Interest rate risk

The Group's variable rate borrowing is exposed to a risk of change in cash flows due to changes in interest rates. The Group's fixed rate borrowing, short term receivables and payables are not significantly exposed to interest rate risk.

Exposure to interest rate risk

The interest rate profile of the Group's and the Company's significant interest-bearing financial instruments, based on carrying amounts as at the end of the reporting period was:

	Group		Comp	oany
	2013 2012		2013	2012
	RM	RM	RM	RM
Fixed rate instruments	xed rate instruments			
Cash and cash equivalents	500,000	-	500,000	-
Borrowing	1,113,806	-	1,113,806	-

Interest rate risk sensitivity analysis for fixed risk instruments

The Group does not account for any fixed rate financial assets and liabilities at fair value through profit or loss and the Group does not designate derivatives as hedging instruments under a fair value hedge accounting model. Therefore, a change in interest rates at the end of the reporting period would not affect profit or loss.

26. FINANCIAL INSTRUMENTS (cont'd)

26.7 Fair value information

The carrying amounts of cash and cash equivalents, short term receivables and payables and short term borrowing approximate fair values due to the relatively short term nature of these financial instruments.

The table below analyses financial instruments carried at fair value and those not carried at fair value for which fair value is disclosed, together with their fair values and carrying amounts shown in the statement of financial position.

	Fair value of financial instruments carried at fair value Total fair					Carrying

^{*} Comparative figures have not been analysed by levels, by virtue of transitional provision given in Appendix C2 of MFRS 13.

Policy on transfer between levels

The fair value of an asset to be transferred between levels is determined as of the date of the event or change in circumstances that caused the transfer.

Level 1 fair value

Level 1 fair value is derived from quoted price (unadjusted) in active markets for identical financial assets or liabilities that the entity can access at the measurement date.

Level 2 fair value

Level 2 fair value is estimated using inputs other than quoted prices included within Level 1 that are observable for the financial assets or liabilities, either directly or indirectly.

26. FINANCIAL INSTRUMENTS (cont'd)

26.7 Fair value information (cont'd)

Level 2 fair value (cont'd)

Derivatives

The fair value of forward exchange contracts is estimated by discounting the difference between the contractual forward price and the current forward price for the residual maturity of the contract using a risk-free interest rate (based on government bonds).

Transfers between Level 1 and Level 2 fair values

There has been no transfer between Level 1 and 2 fair values during the financial year (2012: no transfer in either directions).

Level 3 fair value

Level 3 fair value is estimated using unobservable inputs for the financial assets and liabilities.

27. CAPITAL MANAGEMENT

The Group's objectives when managing capital is to maintain a strong capital base and safeguard the Group's ability to continue as a going concern, so as to maintain investor, creditor and market confidence and to sustain future development of the business. The Directors monitor and are determined to maintain an optimal debt-to-equity ratio that complies with debt covenants and regulatory requirements.

There were no changes in the Group's approach to capital management during the financial year.

28. SIGNIFICANT EVENT DURING THE YEAR

During the financial year, a fire occurred at the Company's plant which had affected the production line used for the manufacture of tapes. The damage caused by the fire resulted in the production line being shut down for a few months. Total inventories written off and repair and maintenance expenses amounted to RM1,329,000 and RM3,426,000 respectively were incurred by the Company due to this incident. The Company has filed an insurance claim and total insurance claim amounting to RM5,570,318 was approved by the insurance company during the financial year.

The amount of inventories written down, repair and maintenance expenses and insurance claim were fully recognised in profit or loss for the current financial year.

29. SUPPLEMENTARY FINANCIAL INFORMATION ON THE BREAKDOWN OF REALISED AND UNREALISED PROFITS OR LOSSES

The breakdown of the retained earnings of the Group and of the Company as at 31 December 2013, into realised and unrealised profits, pursuant to Paragraphs 2.06 and 2.23 of Bursa Main Market Listing Requirements, are as follows:

	Group		Cor	npany
	2013	2012	2013	2012
	RM	RM	RM	RM
Total retained earnings of the Company and its subsidiaries :				
- Realised gain	11,077,989	11,020,976	9,054,511	8,567,844
- Unrealised (loss)/gain	(50,289)	34,663	(50,289)	34,658
Total retained earnings at 31 December	11,027,700	11,055,639	9,004,222	8,602,502

The determination of realised and unrealised profits is based on the Guidance of Special Matter No. 1, *Determination of Realised and Unrealised Profits or Losses in the Context of Disclosures Pursuant to Bursa Malaysia Securities Berhad Listing Requirements*, issued by the Malaysian Institute of Accountants on 20 December 2010.

Statement by Directors pursuant to Section 169(15) of the Companies Act, 1965

In the opinion of the Directors, the financial statements set out on pages 37 to 91 are drawn up in accordance with Malaysian Financial Reporting Standards, International Financial Reporting Standards and the Companies Act, 1965 in Malaysia so as to give a true and fair view of the financial position of the Group and of the Company as of 31 December 2013 and of their financial performance and cash flows for the financial year then ended.

In the opinion of the Directors, the information set out in Note 29 on page 92 to the financial statements has been compiled in accordance with Guidance on Special Matter No. 1, *Determination of Realised and Unrealised Profits or Losses in the Context of Disclosures Pursuant to Bursa Malaysia Securities Berhad Listing Requirements*, issued by the Malaysian Institute of Accountants, and presented based on the format prescribed by Bursa Malaysia Securities Berhad.

Independent Auditors' Report to the members of Central Industrial Corporation Berhad

REPORT ON THE FINANCIAL STATEMENTS

We have audited the financial statements of Central Industrial Corporation Berhad, which comprise the statements of financial position as at 31 December 2013 of the Group and of the Company, and the statements of profit or loss and other comprehensive income, changes in equity and cash flows of the Group and of the Company for the year then ended, and a summary of significant accounting policies and other explanatory information, as set out on pages 37 to 91.

Directors' Responsibility for the Financial Statements

The Directors of the Company are responsible for the preparation of financial statements so as to give a true and fair view in accordance with Malaysian Financial Reporting Standards, International Financial Reporting Standards and the requirements of the Companies Act, 1965 in Malaysia. The Directors are also responsible for such internal control as the Directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with approved standards on auditing in Malaysia. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on our judgement, including the assessment of risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation of financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements give a true and fair view of the financial position of the Group and of the Company as of 31 December 2013 and of their financial performance and cash flows for the year then ended in accordance with Malaysian Financial Reporting Standards, International Financial Reporting Standards and the requirements of the Companies Act, 1965 in Malaysia.

Independent Auditors' Report

to the members of Central Industrial Corporation Berhad (cont'd)

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

In accordance with the requirements of the Companies Act, 1965 in Malaysia, we also report the following:

- (a) In our opinion, the accounting and other records and the registers required by the Act to be kept by the Company and its subsidiary of which we have acted as auditors have been properly kept in accordance with the provisions of the Act.
- (b) We have considered the accounts and the auditors' report of the subsidiary of which we have not acted as auditors, which is indicated in Note 6 to the financial statements.
- (c) We are satisfied that the accounts of the subsidiaries that have been consolidated with the Company's financial statements are in form and content appropriate and proper for the purposes of the preparation of the financial statements of the Group and we have received satisfactory information and explanations required by us for those purposes.
- (d) The audit report on the accounts of the subsidiaries did not contain any qualification or any adverse comment made under Section 174(3) of the Act.

OTHER REPORTING RESPONSIBILITIES

Our audit was made for the purpose of forming an opinion on the financial statements taken as a whole. The information set out in Note 29 on page 92 to the financial statements has been compiled by the Company as required by the Bursa Malaysia Securities Berhad Listing Requirements and is not required by the Malaysian Financial Reporting Standards or International Financial Reporting Standards. We have extended our audit procedures to report on the process of compilation of such information. In our opinion, the information has been properly compiled, in all material respects, in accordance with the Guidance on Special Matter No.1, *Determination of Realised and Unrealised Profits or Losses in the Context of Disclosures Pursuant to Bursa Malaysia Securities Berhad Listing Requirements*, issued by the Malaysian Institute of Accountants and presented based on the format prescribed by Bursa Malaysia Securities Berhad.

OTHER MATTERS

This report is made solely to the members of the Company, as a body, in accordance with Section 174 of the Companies Act, 1965 in Malaysia and for no other purpose. We do not assume responsibility to any other person for the content of this report.
